***About the Pete Peterson Scholarship Fund**

The Pete Peterson Scholarship Fund (PPSF) exists to enable the Washington State Society for Healthcare Engineering (WSSHE) Full Members to be able to attend conferences and educational meetings that they might not be able to due to financial restrictions. The scholarship fund is 100% maximized and currently has a waiting list for additional scholarship applicants.

The fund was created in memory of Harold L. (Pete) Peterson who passed away in 2002. Pete was a mentor to many in the hospital community and encouraged involvement in WSSHE. The PPSF is a registred 503 (c) 3 with the Internal Revenue Service. 100% of the proceeds from this tournament will go to the PPSF.
