• Mike has to step aside as golf chair. Work will not allow time to be fully involved. He will assist as much as possible.
• Rob will contact AMI to see what it will take to have them more involved with the coordination. There may need to be a separate contract drawn up.
• Ask AMI to send out a ‘save the date’ flash to put it on the schedule.
• Committee meeting will be set up. Jennifer will coordinate.

**Charity Committee**
• David Kopczynski presented the board with a list of 10 charities that are this year’s options for WSSHE support. The list provided a brief synopsis of each and the board has been asked for their preferences. The committee will tally the results.
  o The top three charities in the voting were: **Child Haven, Ronald McDonald House, and the Phoenix House.**
  o A discussion ensued about which would serve better as a charity for the Holiday Party and which for a community service event.
  o Dave will get more details so a decision can be made.
• Holiday Party location votes were tallied.
  o #1 was Glen Acres and #2 Hollywood Schoolhouse
  o Date preferred was Thursday December 8, noon to 5 pm.
  o A vote from the board had Glen Acres the choice.

**Membership Committee**
• **Tom Nance** said the committee met twice. They are printing the insert to put into the WSSHE trifold. This insert promotes the PS chapter. **Tom Nance** intends to present this to Overlake to encourage participation. **Bill Leak** will hand them out when talking to his customers.
• A presentation is being prepared.

**Social Media Project**
• **Todd Coburn** has volunteered to take over this chair from **Rob Pewitt**. **Rob** will introduce **Todd Coburn** to Ben Myer, the State Communication Chair.

**Other/ New Business**
• **Chris Moore** has been elected to be the PS President Elect. Congratulations.
• A new Education Chair will have to be appointed.
• A discussion about role definitions for the officers and committee members took place. David suggested that all officers create a role description and bring it to the next meeting.
• Discussion about whether the chapter needs to purchase a laptop. Several options were discussed. This mainly has to do with the need to accept credit card payments in the
easiest and most efficient manner. Robert Blakey has done quite a bit of research into the matter and recommends purchasing 2 Android tablets and 2 Square Up devices for obtaining credit card information.
