**Keynote: Facilities and Emergency Management-  
Understanding Roles and Responsibilities**

*Christopher Riccardi, CHSP, CHEP, CHOC Children's Hospital*

Understanding roles and responsibilities during a disaster equips staff and leaders to respond quickly and efficiently. This presentation will assist Facilities leaders and staff in identifying tools and resources that will enhance their response capabilities. Often overlooked in Emergency Preparedness, the Facilities department plays an integral role in keeping our patients, staff and buildings safe after a disaster or disruptive event. This program will address mitigation, preparedness, response and recovery strategies to implement for success when failure is not an option.

10:00 - 10:30am *Centennial Foyer & Ballroom*

**Beverage Break and Networking Opportunity**

*Sponsor: Stantec*

10:30 - 11:30am *Stehekin Room*
