Welcome Meeting brought to order at 3:08 PM by Michael Dover. Welcomes everyone to the first meeting of 2022.

Membership / Outreach Michael reported for Membership the following numbers:
Total 147 Members, Professional = 65, Business Partners = 82

Michael would like to see the number of professional members exceed the number of business partners by end of 2022. The outreach program has been successful, but the question was raised of how to best follow up with the hospitals to make sure they are signing up their teams and becoming active WSSHE members. It was decided, by a unanimous vote from the board, to offer **onsite WSSHE enrollment** to all attendees at Outreach Events in addition to the \$2500 donation.

- Lisa will add a slide to the power point and create a sign-up sheet for attendees.

Outreach for Q1 2022 will be at Olympic Medical Center in Port Angeles, WA. Team includes Michael Dover, Chris Bowman and Jose Diaz.

Richard and Chris will follow up with Mike Chitwood to register St Joe’s.
